OIRA is conducting AUB-EN to Fall 2021 accepted students from June 16-24, 2020. The health and safety of the candidate is AUB's top priority that is why protective measures from COVID-19 AUB Expert Team are being carefully implemented. The candidates are divided into groups of 50 in each session. Although the session starts at 10:00 am, the candidates are asked to report to campus at 9:00 am. With the instructions provided to students, candidates wait in the area in front of Nicely Building keeping distance of at least two meters with other candidates. At 9:00 students are admitted to Nicely Hall in groups of 5 while maintaining social distancing. Moreover, students need to wear a face mask upon entry to the testing room and keep it on throughout the session. At entry, they also use disinfectants and are seated in alternating rows and columns, minimum of two meters apart. At end of exam, students are discharged one row at a time and are urged not to stay on campus.
